Arctic Climate Forum - 9

**Jacinthe Lacroix– Canada Coordinator
Environment and Climate Change Canada (ECCC)**

May 24, 25, 2022

World Meteorological Organization
Arctic Regional Climate Center Network

Where to find the Meeting materials

- [Arctic Climate Forum Spring 2022 | Arctic Regional Climate Centre Network \(arctic-rcc.org\)](https://arctic-rcc.org)
- Agenda
 - Day 1 presentations
 - Day 2 presentations
- After the meeting, the Consensus Statement will be posted at:
[Consensus statements | Arctic Regional Climate Centre Network \(arctic-rcc.org\)](https://arctic-rcc.org)
- Video recordings for each day will be posted on the ACF-9 page when ready for viewing [Arctic Climate Forum Spring 2022 | Arctic Regional Climate Centre Network \(arctic-rcc.org\)](https://arctic-rcc.org)

Logistics

- Please mute your audio and turn off your video.
- MS Teams has a “Chat” function where you are encouraged to write your questions and comments during the presentations.
- Your questions will be addressed during the “On-line discussions with end user” sessions. Moderators will be collecting your questions for each session and will ask them on your behalf.
 - If the chat isn’t available to you, please email your questions to the moderators:
 - Day 1 – jelmer.jeuring@met.no ; Adrienne.tivy@ec.gc.ca
 - Day 2 – scott.weese@ec.gc.ca ; jelmer.jeuring@met.no; shanna.combley@noaa.gov; valentina_khan2000@yahoo.com
 - MS Teams has a “Raise Hand” function should you need to request the floor during the discussion sessions to answer questions posed to the audience.
